### *Spirit Week Tons of Fun!*

Involvement was the key word for this memorable week. It was a time for everyone to get involved that normally doesn't. It was filled with fun and everyone enjoyed dressing up for Pajama Day, 50's Day, Dark and Spooky Day, Halloween Day and Blue and Gold Day.

Valencia's Spirit Week had its traditional pie throw at all the members of the 1985 Homecoming Court. The Homecoming Court members sit with their hands tied behind their back while other students throw pies at them. Spirit Week ends with a Homecoming assembly, including a parade of floats, and the crowning of the King and Queen.

This year's Homecoming Dance, with the theme "Escape into Fantasy", was held on November 2, 1985 in the Old Gym. This year, however, a video DJ was hired to provide music for the dance instead of the traditional live band. At 10:30 Homecoming Queen Karen Gray and King Steve Hagemeister led the Court Dance. Over 150 couples enjoyed the dance and a fun time was had by all.

The floats in this year's Homecoming Parade were really memorable. Pep Rallies and spirit come together at assemblies. The main purpose for having Pep Rallies was to motivate students and inform them in various sports events and updates. Cheerleaders showed their spirit once again and ASB provided class competitions and skits. Skits such as "The Future Findings", "Pee Wee's Big Adventure With His ASB Card, and "Air Bands" All provided spirit and information which were performed for pure entertainment.

An "Air Band" contest was added to the list of activities this year, and proved to be a big success. 1. The winners of the evening were the "Temptations" performed by Guy Dominguez, Mark Hood, Jason Marr and Robert Herrell. 2. The "Go-Go's" — Tamie Firmes, Heather Sandoval, Liz Donovan, Dana McCabe and Amy McCormick. 3. The Boogie Boys, David James and Sergio Alexander. 4. The Morp Dance was new this year at Valencia. Morp was the opposite of prom, so the idea was to dress casually and just have a good time. Many enjoyed the dirty morp territory and music. 1. Jason Beghtol loves Farmer John Brand Wieners. 2. Natalie Colton, Michaela Underhill and Gloria Brocktrop are on the lookout for bootie. 3. Morgan Talbert and Tom Gonzalez are good buds. 4. Jason Beghtol becomes the scum of the dance. 5. Dave Crawford, Sean Ireland, Jason Beghtol, Kelly Hansen and Julie Eckenrode show their morp spirit. 6. Karen Gray, Tom Castro, Beth Summers and Kelly Hansen decide to kick back and enjoy the dance.

1. Valerie Hawkins and Erin Ferguson show their friendship by posing for the cameraman.
2. Bernadette Talbert , Mike Munoz, Kim Bouler and Stephanie Roller are having a good time.
3. Dong Park shows us his confused look.
4. Justin Adams, Theodore Ching, Peter Philstrom, Chris Georges, Ken Clay and Sean Barr hang loose at the dance.
5. Ivor Hansen and Dong Park are wanna be cone-heads.
6. Tom Underhill and the rest of the gang show us their new dance steps.

The year of 1986 proved to be successful. The Valencia Senate provided a delightful Winter Formal dinner dance at the Anaheim Hilton. Over two hundred couples attended "Crystal Cotillion." Entertainment was provided by K-ROQ D.J., Jed the Fish. A dance contest was included and Morgan Talbert and Judy Rosner were crowned king and queen. A good time was had by all.

Sportin' Sadies was the theme for this years Sadie Hawkins. The idea was to dress up according to your favorite sport or any sport in particular. A video D.J. was the entertainment for the evening and once again this night was a successful one.

1. Bernadette Talbert, Doug Park, Gloria Brochtrup, Mike Smith, Ivor Hansen.
2. Jennifer Buck, Sheri Turman, Cathy Kamp, Renee Dominguez, Sheri De Maria.
3. Vikki Vargas, Tom Castro, Dawn Barr.

The fall play this year was performed in theater in the round. The audience sat around the stage forming a sort of circle looking into the performance. It proved to be very effective and equally entertaining. The play itself was about a group of retired actresses living in a home they called "The Wings", acting out their last acts of life. 1. Denise Horvat, Laurie Irvine and Barbara Hamlett. 2. Lenora Ojeda and Keli Collins. 3. Bigitta Christianson, Barbara Hamlett, Stacy Dumoski. 4. Lenora Ojeda and Jason Beghtol. 5. Morgan Talbert and Bernadette Talbert.

Some of the leading roles were played by Denise Horvat, Lenora Ojeda, Keli Collins, and Morgan Talbert, but the entire cast worked as a team to put on an outstanding performance of this play. 1. Keli Collins, Bernadette Talbert, and Laurie Cervantes. 2. Denis Horvat and friend. 3. Laurel Degraas, and Bonnie Levinson.

"MAME" was the second production by the Drama Department this year. It was a musical about a lady that defies all generation gaps. When she is plunged into taking care of her young nephew, Patrick, they jump into a world of new and exciting things. Patrick brings Mame into sharp conflict with her best friend Vera Charles, a multi-martini grande dame of the legitimate theatre, for Vera can't stand children. In a brief adventure as a manicurist, Mame meets Beau, a wealthy scion of the South, and eventually marries him. Beau and Mame travel the world on a two year honeymoon when an accident ends it abruptly. Life goes on, Patrick grows up and, eventually, is married. Mame and Patrick's son encounter each other and the adventure continues...

The production of MAME consisted of the joint efforts of the Drama Department, the Choral Department, and the Music Department. Without the utmost cooperation and persistence of all groups, the show could not have existed.

## Friends

I do my thing, and you do your thing.  
I am not in this world to live up to your expectations.  
And you are not in this world to live up to mine.  
You are you and I am I, and if by chance we find each other, it's beautiful.

Some people come into our lives and quickly go.  
Some stay for a while and leave footprints on our hearts and we are never, ever the same.  
Friends are forever.

## The Typical Senior

A cap to look cool, cover the mop underneath or just for the heck of it.

By the time you reach the 12th grade, the excitement of that "first shave" is gone and they end up doing it only when they remember; so the 5 o'clock shadow is common.

Definitely not looking at her books. Sometimes this makes it hard to concentrate on the schoolwork.

Sweatshirts, T-shirts and anything not fancy are popular articles in a senior wardrobe, especially for school.

Also a common, well-stocked article in a male senior closet holes or not, they still are perfect just for school.

Bookbags and backpacks are often seen hanging off a senior guy to hold the one book and one pencil he may own. There may be paper inside the book, but very rarely.

The one book in the bookbag because it contains all the vital information for leaving the nest once and for all.

Many seniors enjoy their new legal freedom of leaving at lunch to visit many local fastfood joints and grub the food down in 5 minutes.

The newcoming freshman girls seem to be the main, hot item for the first couple months of school for a senior guy.

The I-don't-care-I'm-too-tired-I-don't-have-anyone-to-impress look for many senior girls.

Valencia sweatshirts were a very popular, well-sold new item and very important to a seniors wardrobe to add the "sweats especially for school" part of their closet.

Senior girls are usually seen wearing a big jacket on cold days. Why so big? Because the guy next to her has provided her with some warmth to prove he's macho and he freezes to death instead.

Although senioritis has struck the guys, girls still manage to keep up their schoolwork as best as possible, unlike how they dress for school.

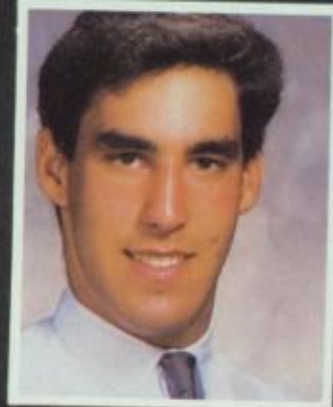

Date/Address Books became the absolute need of a girl to help keep organized. After Christmas, one of these handy suckers could be found in every senior's purse.

Senior girls often are equipped with very large, roomy purses to store everything they need, and I mean EVERYTHING!

To complete the well-put together school outfit of a senior girl, sweat bottoms were very useful for the comfortable look for school and was also very useful in keeping her nice week-end-clothes-to meet-college-men in good shape.

The most comfortable shoes, perfect for school and matched every pair of sweats in their closet. The Reebok Aerobic shoes were a definite MUST.

The senior float for Homecoming won the sweepstakes award this year. The class of '86 has won the trophy three years out of four: Their freshman, sophomore, and senior years. They have regrets that they did not win it last year. Justin Adams states "We wanted to be the first class to win it four years in a row." Oh, well.

Senioritis — An acute affliction of "No more homework, school, tests & classes. More parties, beach days, soap operas, lunches out and kick back time." Most students claim to become infected during Sept. of their senior year but freak cases occur. Senior Brett Wilson claims, "I got it my junior year and haven't recovered yet."

# Seniors Show Versatility in '86!!

*L*ed by president Tom Castro, the senior student council headed one of the more rowdy classes to hit the Valencia campus. With ice cream parties, big brother/sister program, car rallies and other strange but fun events, the senior class really demonstrated school spirit. Tom is involved in the National Honor Society, California Scholarship Federation, his church youth group, and student council. He enjoys all types of music, staying up late, working with children, camping, outdoor sports, and getting into trouble. He would like to go to a small Liberal Arts college and major in child psychology. He doesn't smoke, drink, or take drugs and says "I'm proud of it!"

*A*nother interesting thing to hit our campus was the W.A.V.E. club. W.A.V.E. is an acronym for We Are Very Energetic. This officially unrecognized club consists of only juniors and seniors who wanted to get rowdy at sporting events. These strange upperclassmen, in their Hawaiian trademark shirts, go to football, water polo, basketball, and other sporting events and cheer their heads off. Justin Adams explains: "It was just sort of spontaneous. It helps us be constructive, get our energy out, and to have a lot of fun. But most important, it lets our teams know that we are there and rooting for them." Well, good luck to the W.A.V.E.s.

# Seniors Do It in the Quad!

The senior class officers worked hard this year to lead the class of '86 to a super senior year.

1. Here (clockwise from top) President, Tom Castro; Treasurer, Andy Grenier; Secretary, Kim Corra; and Vice President, Robert Herrell show their modeling talent.

2. Tim Moore and Christa Caudle lead a tour of the Valencia campus.

3. Tom Gonzalez checks about as he avoids the Valencia border patrol.

4. Bill Equitz tells Birgetta Christensen of his water polo exploits while Robert Herrell makes sure he doesn't exaggerate.

5. Carl Flint and Conrad Huygen chase the freshman squirrels.

6. Senior Class Senators, Back Row (L to R): John Lee, Stephanie Kamp, Trina Hope, Angela Granger, Kelly Rowe. Front Row (L to R): Saori Takahashi, Julie Avalos, Cathy Maertzweiler.

7. David Gray demonstrates how to "kick back."

8. Donna Ewing stays in shape for tennis while leading the seniors to victory in class competition.

Being a senior isn't all fun and games. It means applying to colleges, taking SAT tests, bringing up grades, worrying about making up credits, moving out, getting a job, and many other things which can make a senior wonder if graduation is really worth the trouble. Senior Todd Jeffreys thinks it is. He says, "It will be fun to be out on my own."

Teachers aren't the only absentminded people on campus. Seniors are too! They get all prepared for SAT's, ACT's, Achievement Tests, & college applications and then don't do anything about it. Registration forms are usually found under the bed the day before the tests and this earns the organizations millions in late fees.

Seniors seem bent on cramming as much into their final year as possible: jobs, sports, school, miscellaneous this and that. Many fifth period teachers wonder if they have class that period. "Where are the seniors?" they ask. Well, they're out to lunch. Many times, a senior will not be in class on time due to long lines at eateries, or traffic problems on the way back. Most of the time, they roll in late anyway. Then again, many teachers think seniors are always "out to lunch."

Who are these strange looking people on campus? Well, most likely they're freshmen because after three years of high school, seniors are decidedly casual as to the way they look. Senior David Sun says, "underclassmen are all trendy. It makes me sick!" This sentiment is shared by many seniors who know it is just a stage.

The senior quad is someplace many underclassmen dream of inhabiting. It is called the senior quad for a reason though, and seniors enforce the word SENIOR. Many imaginative seniors have created strange, new forms of punishment — trashcanning, singing the alma mater, tied to a tree with electrical tape are only a few things trespassing underclassmen must endure. Wait for your turn kids! It will come!

When a student becomes 16, the type and reason for excuses increase dramatically. "My car wouldn't start. My riders were lost in the fog. I dropped my keys under the seat." Most of the time these excuses are never bought by the administration. But as long as there are creative seniors eating breakfast at Hershel's during first period, the list will never end.

If you want to know if a person is a "True" senior or not, here are a few characteristics to help you decide.

A typical senior is always late to their first period class and has 181 different excuses why. They never do their homework and sleep in class. They always leave campus early and race to the lines at McDonald's to beat the crowds, and when they get back to 5th period and are questioned as to why they're late, they answer with a smart remark!

Sitting in class for 6 periods of 55 minutes each, staying home Friday nights to finish homework that "Mom is making me do." Staying up late Sunday night to finish a 10 page term paper due Monday assigned 3 weeks ago. It's over & Good Luck!

Hi, I'm going to fill this page. That is my goal. This I think you are special. Even though some days I doubt it. Writing this over two days please excuse me if I repeat myself. Again Good Luck

Chad's (cont.)

Wow are we gonna party this summer or what? You're a very cool dude. Everyone should have a friend like you to rock, party, talk to, drink, and tell their problems to. Especially since you can relate to my problems, because we always have the same problems: no transportation, no date, no where to go, or our parents are being Pricks! HA!

Seriously, you're a person to have around for all occasions especially to hit!

Bill or Chad: what will give sad? Well it's been nice (Mimi) knowing you. In side I feel you are a very sensitive person I like that. I hope we remain friends along time. I repeat myself. Again Good Luck love ya lots Melinda

## Freshmen

Led by president Amber Malolepsy, and an outstanding cabinet, the Freshman class had an awesome first year. The most important thing to do, in order to have fun in high school, is to get involved, and the class of '89 was definitely involved; in class competition, in the Oingo Boingo school spirit contest, at sport events, at dances, and in other activities. This group has great potential in leading our school to more excellent years.

1. Amber Malolepsy leads the Valencia Dance Squad in another impressive performance.
2. Arnie Ayala and Art Galvez view the scenery from their planter during lunch.
3. Travis McMonagle hopes someday to become an actor.

Reflections of '86

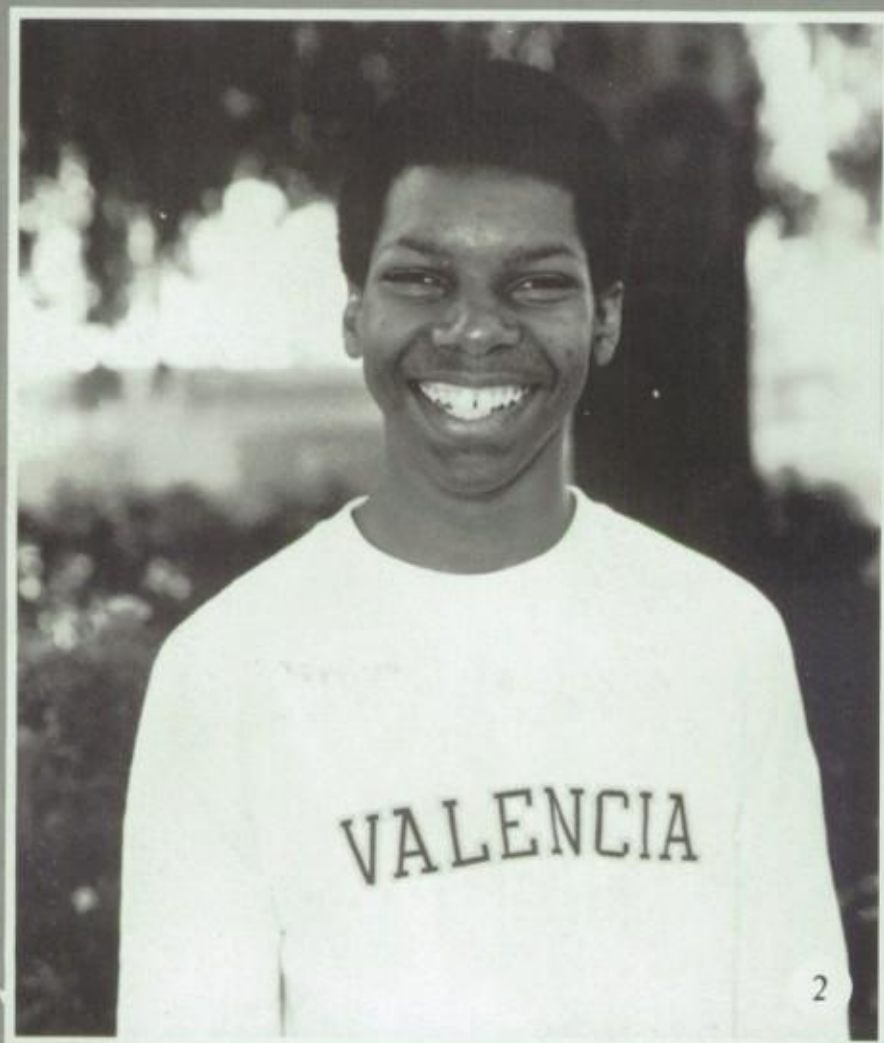

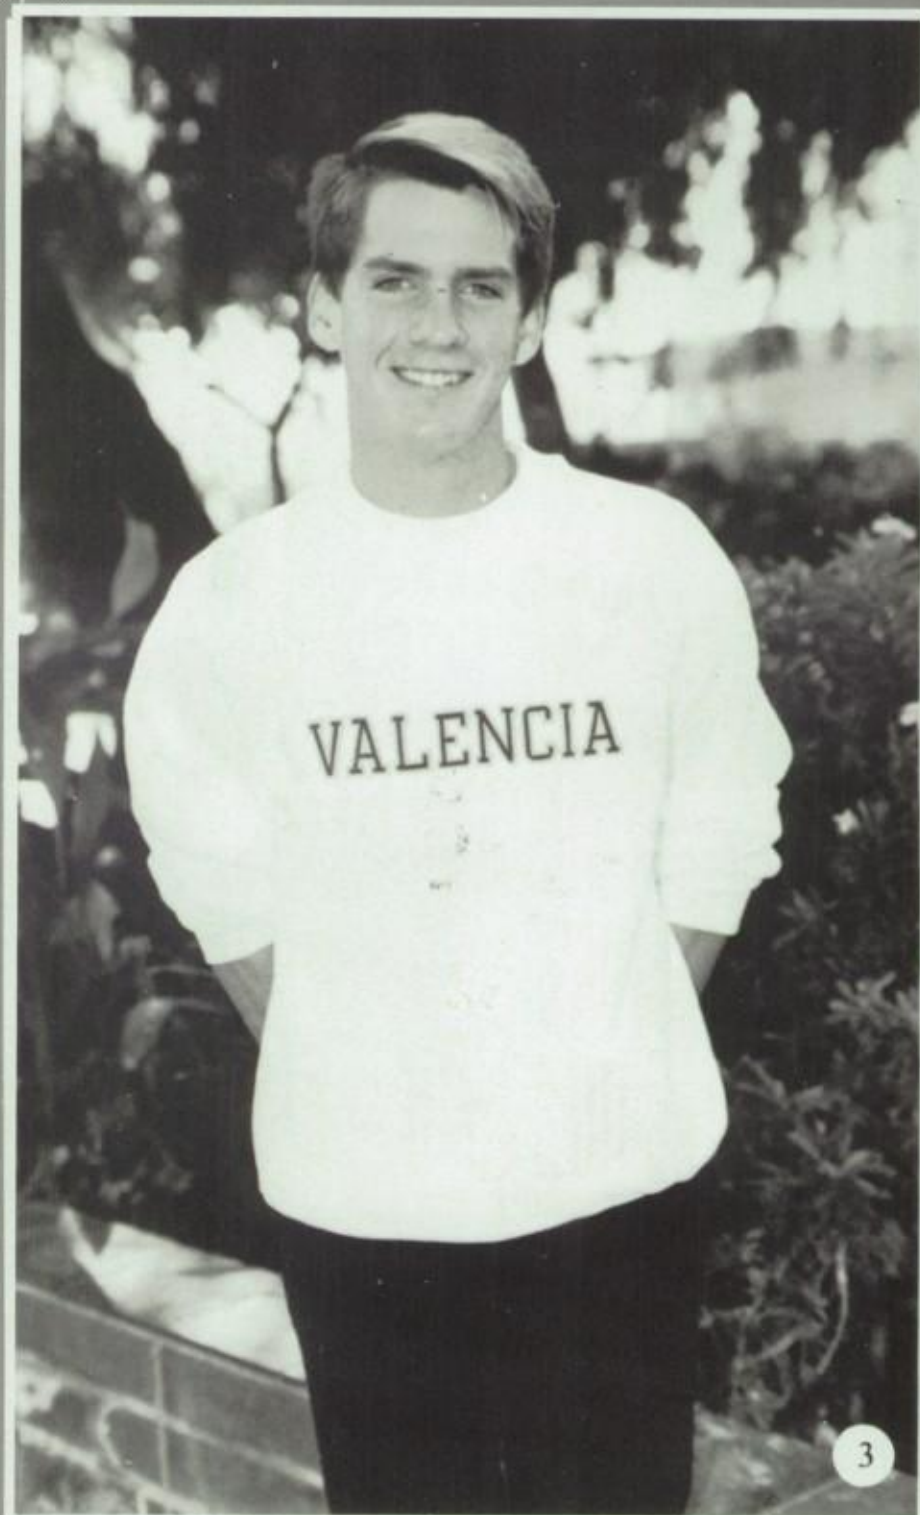

1. Class Presidents — Tom Castro, Jenny Wilson, Amber Malolepsy and Fred Jenkins gave all to make the best year ever.
2. Special Advisor — Justin Adams gave us the experience to do things right.
3. President — Gary Wesoloski led us through a year to remember.

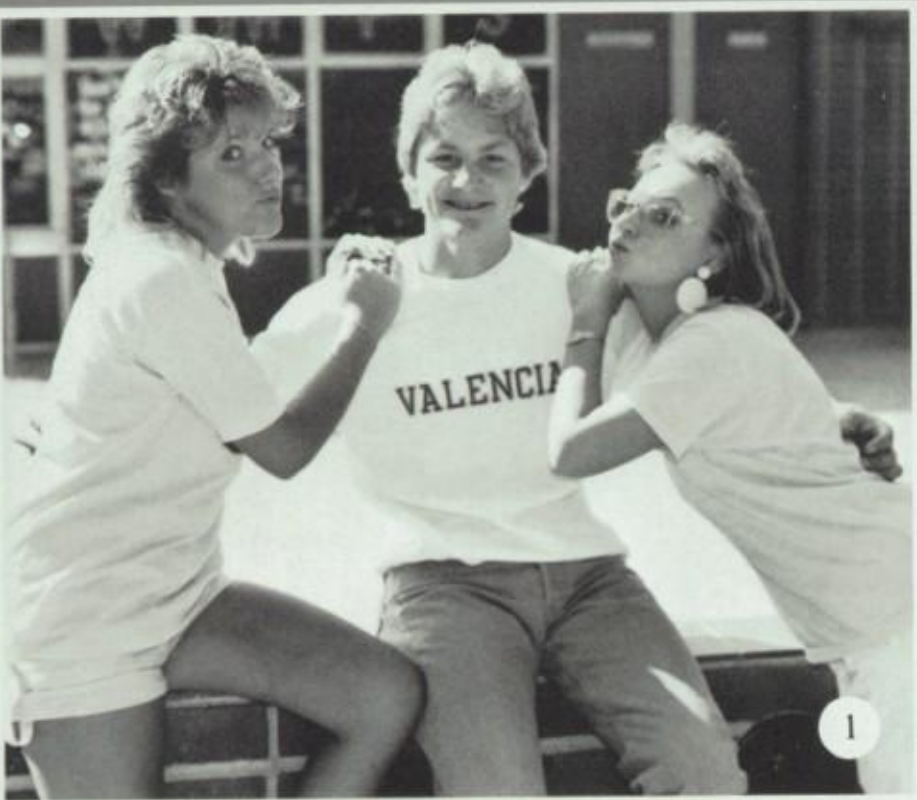

### *Reflections of Leadership*

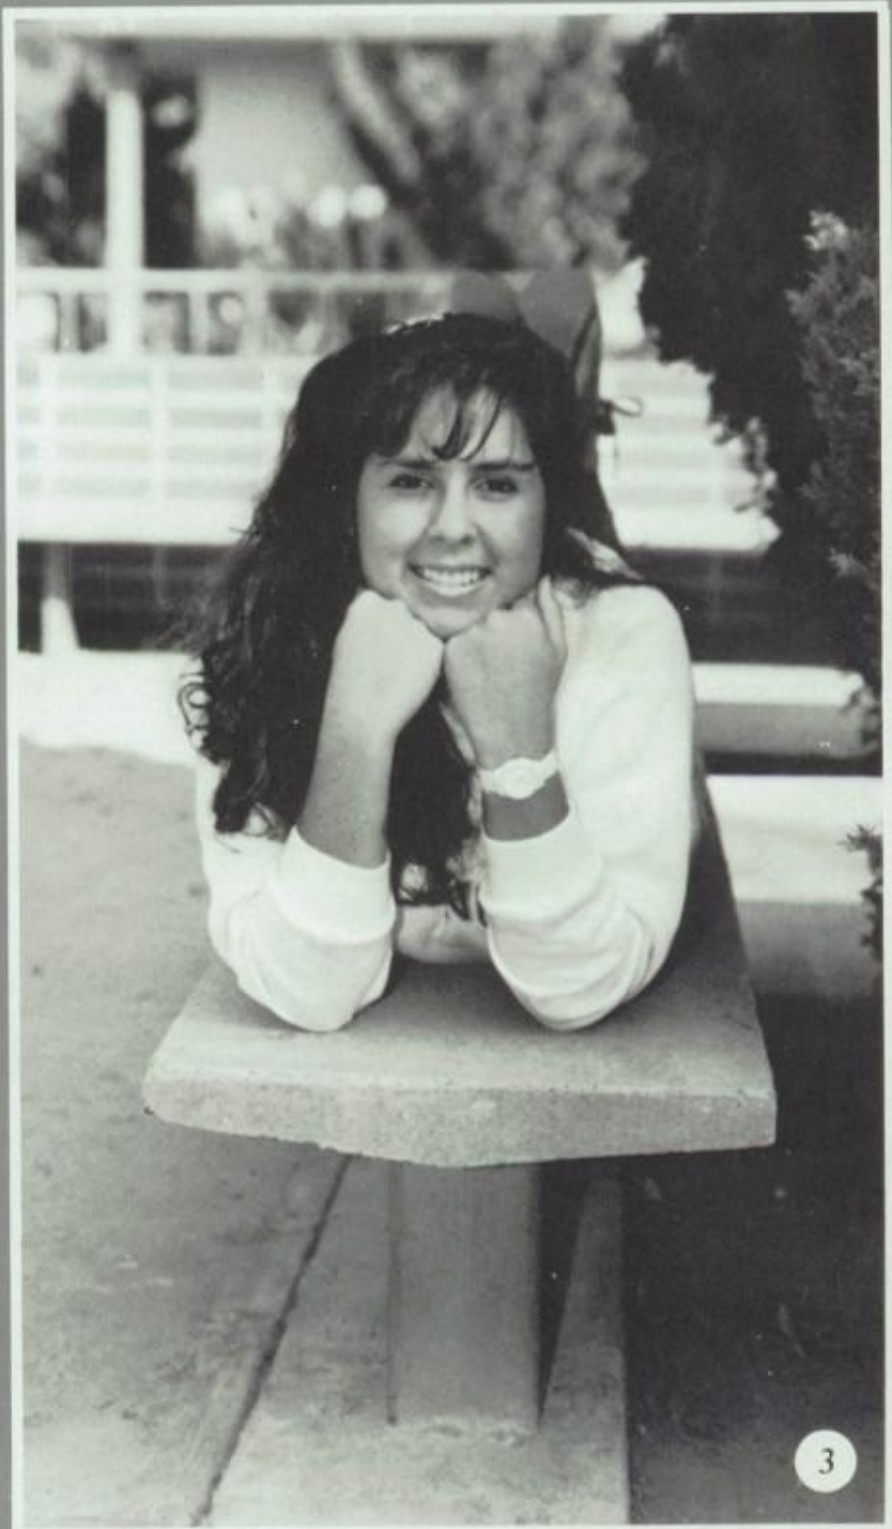

This year was a year to remember due to the time and hard work they put in. Our leaders are part of our heritage and have become part of Valencia itself. In the years to come, remember all of the activities and fun we had and remember the effort it took to do it.

1. Foreign Exchange Students — Lotta Harrysson, Peter Pihlsrom and Birgetta Christensen had an interesting experience in the U.S.  
 2. Senate President — Stephanie Kamp.  
 3. Vice President — Marlene Cedillo helped make an outstanding year.  
 4. Council Persons — Kelly Hansen and Wendy Mendenhall.

*Reflections of Leadership*

1. Karlyn La Roque — Elections Commissioner
2. Nicki Young — Secretary
3. Shelly Carter — Treasurer
4. Dwayne De Nolf & Trina Hope — Athletic Commissioners

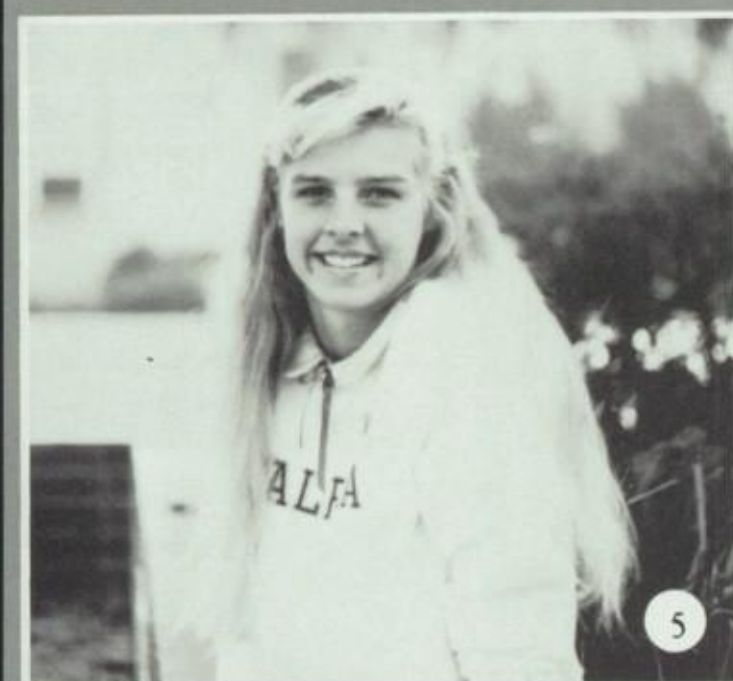

The 1985-86 ASB president was Gary Wesoloski. This year, Gary along with the rest of the ASB cabinet has sponsored many activities besides the usual homecoming, winter formal, and prom. We had "Noon-Time" activities, once every two weeks, a big brother/big sister program, ice cream sundaes for the seniors on the first day of school, and most attended the after game dance. This year's members of the ASB cabinet joined the P.T.A. to intermix and discuss school matters.

### *Reflections of Leadership*

1. Karen Gray — Pep Commissioner
2. Debra De Bruhl — Inter Club Council
3. Beth Summers — Publicity Commissioner
4. Jim Thompson — Activities Commissioner
5. Tanya Michaelson — Fine Arts Representative
6. Gina Camarena — C.A.S.C. and P.T.A. Representative

### Reflections of Victories

The 1985-86 freshman football team established this year that the future of football at Valencia High School is going to be quite secure. The team this year had a record of 9 wins and no losses with one tie. Some of the outstanding players on the team were Keef Leasure, fullback; Steve Rangel, linebacker; Mike Pinada, nose-guard; and Scott Paulsen, defensive end. Some of the outstanding defensive backs were Guy Shepard, safety; Randy Roskelly, corner-back; Freddy Cisneros, safety; and Ted Sheehan, corner-back. Finally, the quarterback, Tracy Garrett, player with exceptional poise. 2. A great tackle by #55 Steve Rangel. 3. A tough down for #65, Chris Johnson. 4. Tracey Garrett hands off to Keef Leasure.

## Reflections of Victories

1. Receiving a kick-off return is Robert Navarrette.
2. A tough take down for the Anaheim Colonists.
3. The running of Robert Navarrette was instrumental to the team this season.

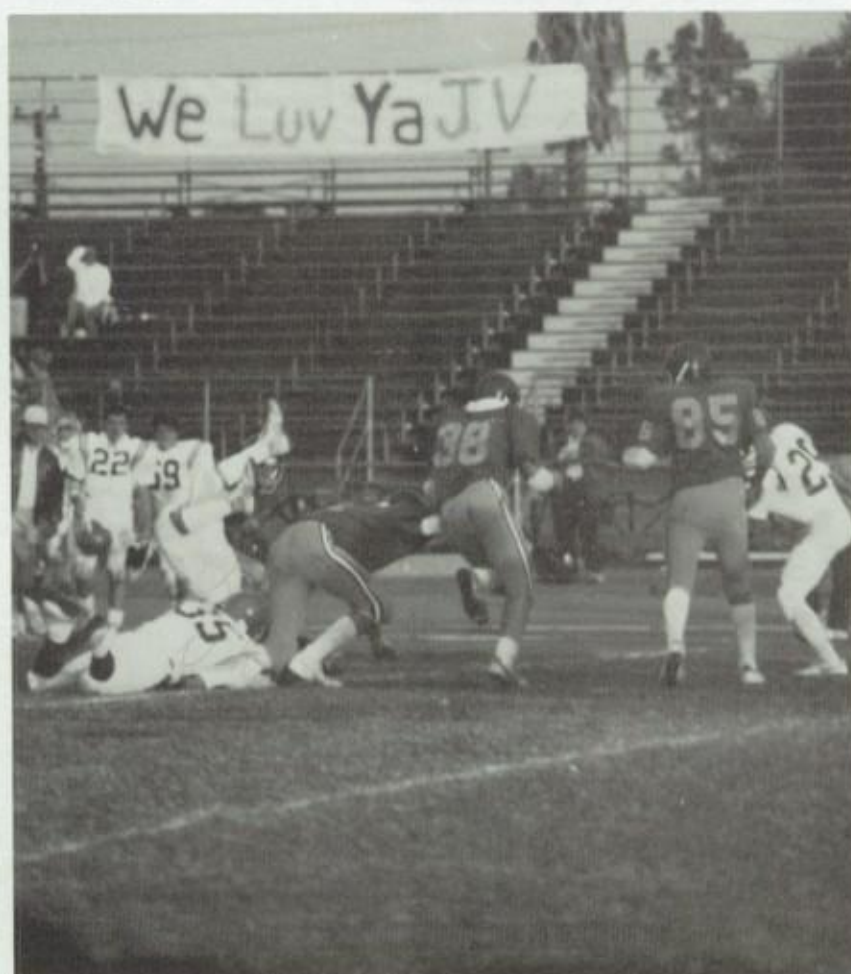

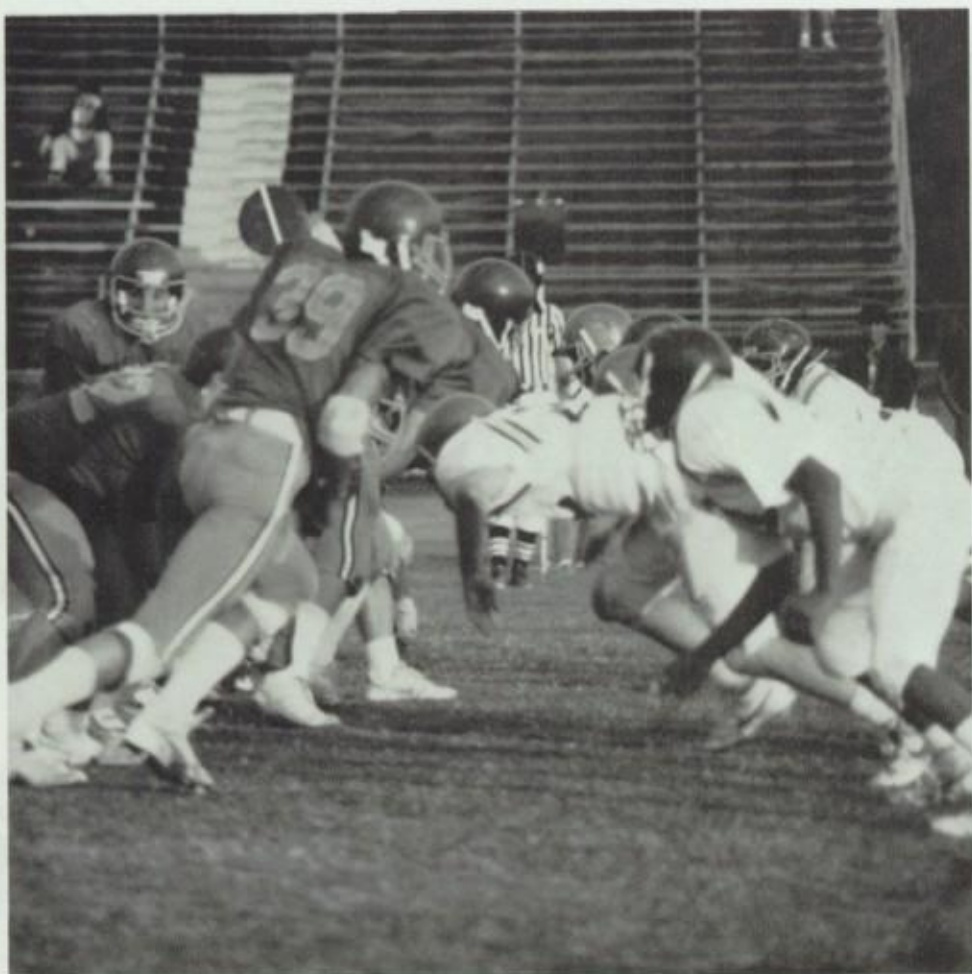

This year the J.V. football team finished third in Orange league play. The guys played tough all season, playing some of their better games toward the end of the year.

J.V. Football Team, Front (L to R): Pat Rain, John Beeson, John Norris, Mike Velena, Paul River, Joe Orellano. Middle (L to R): Bill Timmermans, David McNair, John Daugherty, Bill Nagel, Mark Dunn, Dale Stevenson, Mark Govea. Back (l to r) Mike Scolaro, Jim Medve, Scott Kevetz, Robert Navarrette, Joe Acosta, Anthony Davis. Last (L to R): John Bordwell, Richard Nelson, Coach Iles, Coach Pike, Coach Scheetz, Dan Taggart, Mark Walejko. Not pictured: Bill Hicks, Bill Daile, Ken Morales, and Jared Garcia.

### *Reflections of Victories*

1. Linemen in action.
2. Marty Dunn, Bill Terman #38 and Nacho Garcia #85 all converging to cause a fumble.
3. A successful hand-off to Richard Nelson and a clear opening leads to a TD.
4. Paul Rivera boots the ball a long way!

1. Field goal by Bryan Elliot (#4) as Jim May holds the ball.
2. Offensive guard Tony Burciaga (#52) holds back a Matador.
3. Tigers in action: #64 senior Steve Turino, #58 senior Oscar Torres, and #54 sophomore Fred Jenkins.
4. Tony Goulet gets some of the 140 yards he ran for this game.
5. Offensive guard, Joe Garten, is out to get a Matador.
6. Andrew Ruscitto at his best.

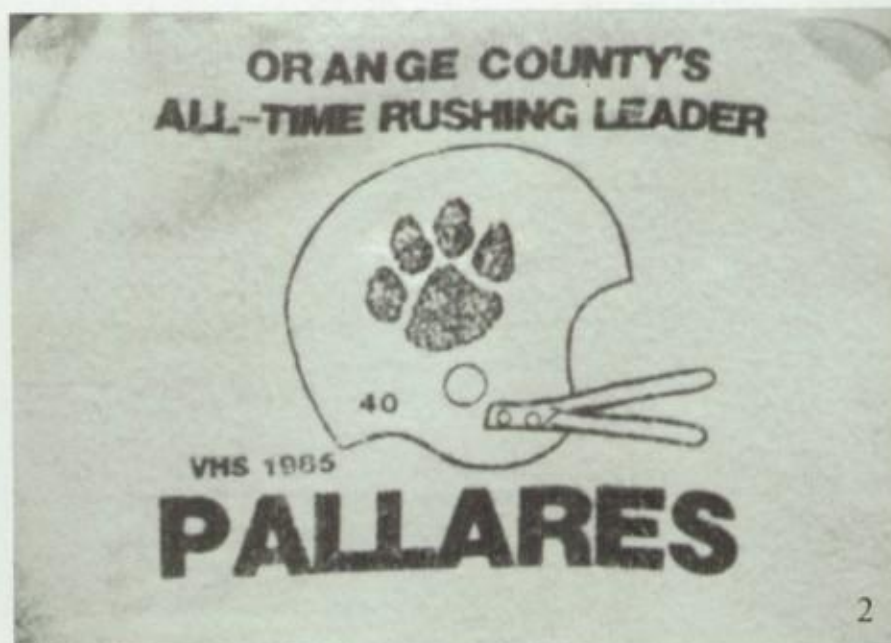

1. Taking a time out, Coach Marrujo goes out to have a talk with the Tigers.
2. Quarterback Jeff Martinez.
3. All in on the tackle as #41 Jason Cruz, #58 Oscar Torres, #64 Steve Turino, #22 Dorian Estes, and #78 Joe Garten.
4. Kick-off by Andrew Ruscitto #92. Along his side is linebacker Robert Rangel, #76.
5. Just another touchdown for junior Tony Goulet, who will be back next year to make Valencia powerfull again.

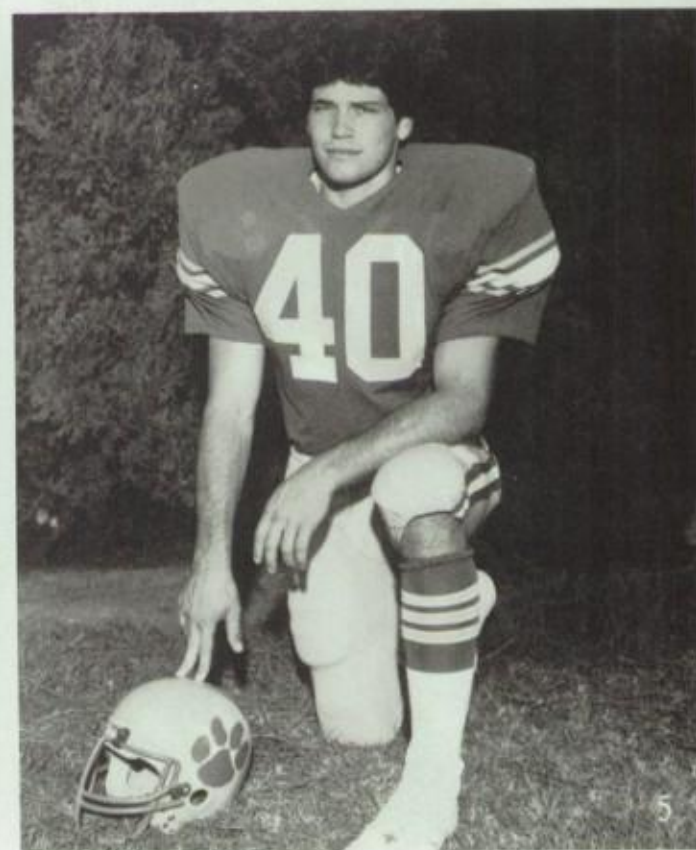

1. Ray Pallares is congratulated by his teammates #88 Jay Van Gorden, and #75 Xavier Hicks after breaking the Orange County all-time career rushing record!

2. One of a number of memorabilia that was sold to commemorate the breaking of the rushing record—a record that will stand for some time.

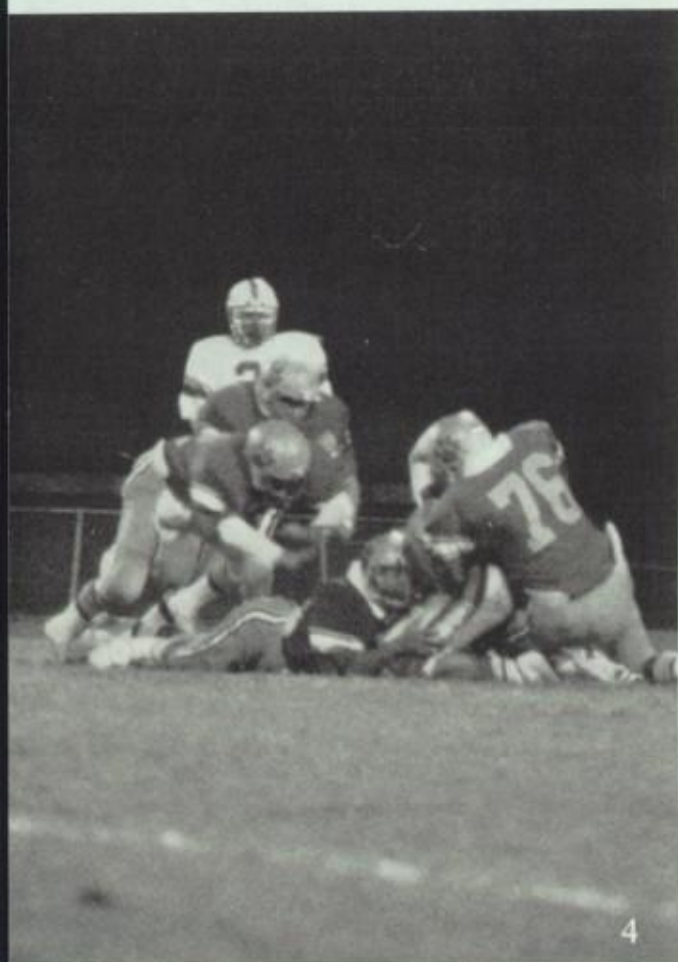

3. Ray broke the rushing record against Western, the traditional tough rival for the Tigers—here he is on one of his typical break-away runs—this became such a familiar sight to Tiger fans and to Tiger opponents.

4. In a game later in the season, Ray would break not only the Southern Section all-time rushing record, but he also set the all-time career rushing record for the state of California!

5. Here he is...perhaps the greatest athlete to set foot on the Valencia High School campus. At 5'11" and 187 pounds, Ray was a powerful, exceptionally balanced runner with quick moves, and an uncanny sense for knowing how to take a tackle. He slashed through tacklers, hurdled them, ran over them, ran past them for an incredible 5,213 yards in his three year varsity career. In his senior year he reached an incredible 2,085 yards in one single year!

1. Ray Pallares gains more yardage while Joe Garten #78 and Andrew Ruscitto #92 lead the blocking.

2. #14 Mike Edwards and #92 Andrew Ruscitto make a great tackle on an unfortunate opponent.

3. The Tiger defense was very stingy this year, giving less than 7 points per game.

4. Robert Rangel #76 and Oscar Torres stick a Matador to the ground.

5. Robert Rangel #76, a 6' 1" 230 lb. 3 year varsity starter, was the reason for a lot of the outstanding success of the varsity for the past three years. He was named as a 1st team all-league defensive back as well as defensive back of the year in 1985. Robert may have been the most gifted athlete in football Valencia has ever seen. We know that whenever there was a tackle made, Robert came up from the bottom. Because of a serious injury in an auto accident in mid-season this year (1986), we may never know how well the varsity could have done with him on the field—we do know that with him, Valencia was defesively an extremely powerful football team.

To say that the Tigers of Valencia had a good year in football is to put the idea mildly — in fact, this team had an excellent year. Winning its third league crown in the last three years, and advancing to the second round of CIF before losing to eventual winner, Saddleback, made the 1985 season a very admirable one. When the season opened, the team was ranked fourth in Orange County, but they lost their first game to Westminster 7-6. This proved to be a valuable lesson, since the Tigers came back to beat Sonoma 33-0. Then we played traditional cross-town rival El Dorado, coming back to win 17-10. Then the Tigers added two more shut-outs to their list by beating Troy 30-0 and then to Bolsa Grande 48-0. Finally, the Tigers opened league play against Savannah and wumped them 63-0. Magnolia was a revived team looking for an upset victory over the Tigers, but Valencia scored another shut-out 26-0. This year's homecoming game was a disappointing loss to Western, 18-15, but the Tigers came back to pounce on Brea 31-0. Then our last league game against Anaheim was an easy 34-6 cakewalk that earned us a share of the Orange League title with Western. The Tigers moved on to CIF as the second place team, but they managed to wallop Norwalk 35-0. Then, on a rain-soaked field, the ball slipped too often from Tiger hands as they went down to defeat against Saddleback and ended their season. With a total of seven shut-outs in one season, the Tigers can be proud of a truly outstanding season!

2. After a pass from Jeff Martinez, Tony Goulet rushes for more yardage as Joe Garten looks to block.

3. Dorian Estes rushes over right tackle for some quick yardage.

4. Ray Pallares ran for 134 yards in his final prep game, establishing himself as the best runner the state of California has ever seen!

5. L to R — Tony Burciaga, Andrew Ruscitto, Erik Hlywka, Fred Jenkins, and Shawn Racobs get set for the kick-off.

As usual, this year's Varsity Waterpolo team had a winning season. The team ended the season as Orange League co-champions. The team swam to the second round of CIF before losing to El Segundo. The team had a number of players who were all-league 1st team: Andy Wisniewski, Sean Barr, Kurt Rudolph, Wayne Watson and honorable mention was given to Dave Barbour, Andy Grenier, Bill Equitz, Todd Jeffreys, and Ricky Schroeder.

3. J.V. Water Polo, Front (L to R): Tony Gonzales, Lisa Milton, Tim Woodfin, Frank Kim, Darren Norris, Shenan Starr. Middle (L to R): Coach Guest, Coach Kayne, Coach Tony Bell Not Pictured: Craig Barton.

For the first time in the school's history, Valencia had a J.V. team that competed. The team had an outstanding record, and were invited to play in CIF competition. The resurgence of water polo at Valencia has made the program develop to the point where there is a great deal of competition for varsity positions--it seems the future of water polo at Valencia is quite secure.

### *Reflections of Victories*

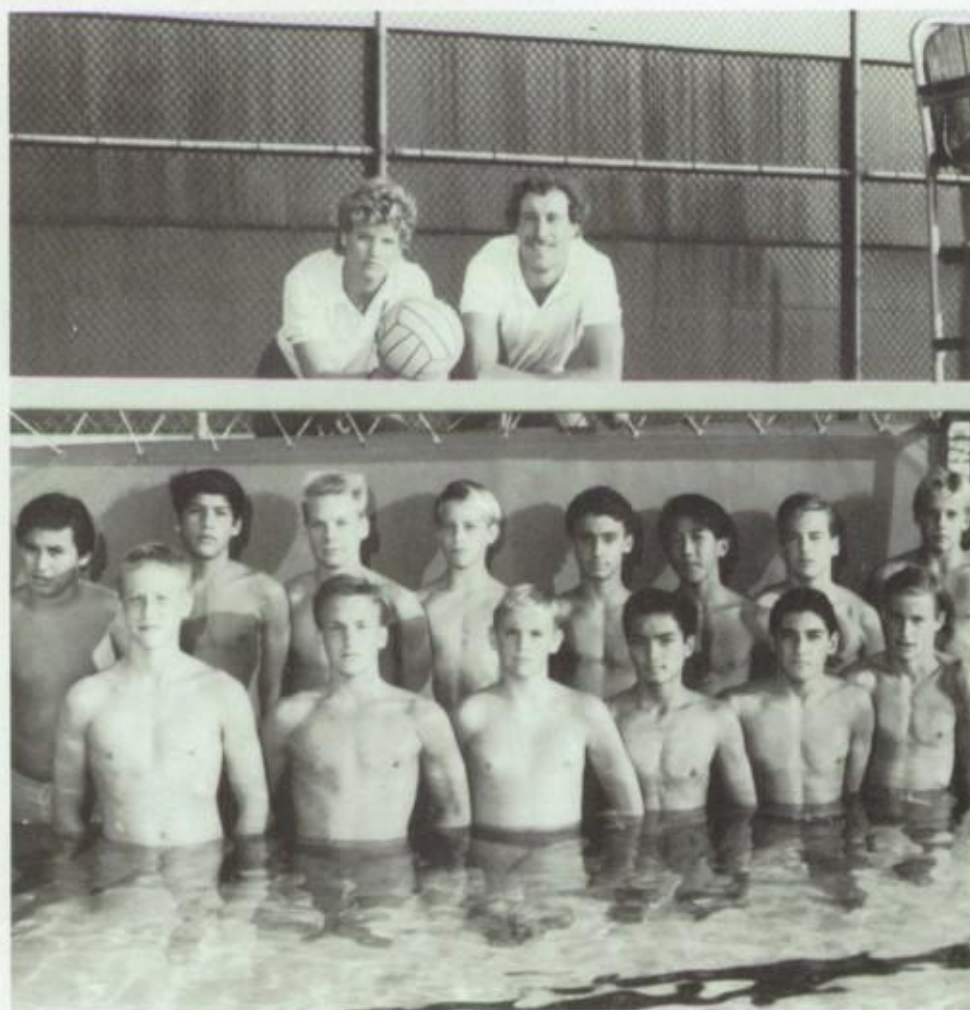

## *Frosh/Soph Polo Finishes 12-0 in League*

This year's Frosh/Soph Waterpolo team had an absolutely awesome year! Not only did they post a perfect 12-0 record in league, they captured the league championship. Coach Guest credited their record to hard work and all the swimming they did in summer league. Their outstanding record was also due to the efforts of each and every team member.

### *Reflections of Victories*

## Runners Finish Second in C.I.F.

Led by CIF champion Chris Lugo, the Varsity Cross Country team had a great year. Showing a lot of desire and hard work, the team once again were Orange League Champs! In the league championship race, the Tigers dominated the race. Although Chris Lugo won first place in the CIF championship finals, the team finished second as a team in CIF — a fantastic accomplishment by itself! Coach Cummins again put together a great running team that represented a great Valencia tradition — winning championships in Cross Country!

1. The team relaxes before an important league final meet.
2. Co-MVP Chris Lugo winning first place in league.
3. Co-MVP Jim Towle ran outstanding races all year long.

## *Frosh/Soph Runners Have a Great Year*

This year's Boys Frosh/Soph team had a great season. They worked hard and showed a lot of desire. The team's biggest thrill came when, led by MVP Jamie Lugo, the team finished third in league. Because of this team's performance, the future for Valencia Cross Country looks good.

Playing very well against the tougher opponents especially teams with big and good centers — is what made this years' boys Varsity basketball team different than any other in the past. Team defense especially attributed to the team's overall record with special highlights, including a 3 point victory over Katella in the Valencia Tournament and the 1st round CIF win over Etiwanda High. This team, with its' captains Kevin Jones and Norman Nakawaki, played an outstandingly tough schedule and played well against teams with excellent talents. Of course, the Valencia team had excellent talents of their own including seniors Kevin Jones and David LaRue, who were both named Most Valuable Player and All Orange League. Junior Dennis Burbank, who was starting center with 12 points and 8 rebounds, was also named All Orange League and who will be one of next years' captains. WAY TO GO TIGERS!!!!!!!!!!

### *Friends . . .*

For Michelle:  
When I die  
Give what's left of me away  
To children  
And old men that wait to die.  
And if you need to cry,  
Cry for your brother  
Walking the street beside you,  
And when you need me  
Put your arms  
Around anyone  
And give them  
What you need to give me.  
I want to leave you something  
Something better  
Than words  
Or sounds . . .  
Look for me  
In the people I've known  
Or loved.  
And if you cannot give me away  
At least, let me live in your heart  
And not in your mind.  
You can love me most  
By letting  
Hand touch hand.  
By letting  
Bodies touch bodies,  
And by letting go  
Of children that need to be free.  
Love doesn't die . . .  
People do.  
So when all that's left of me.  
Is love,  
Give me away.  
I love you all.  
I'll see you at home . . .

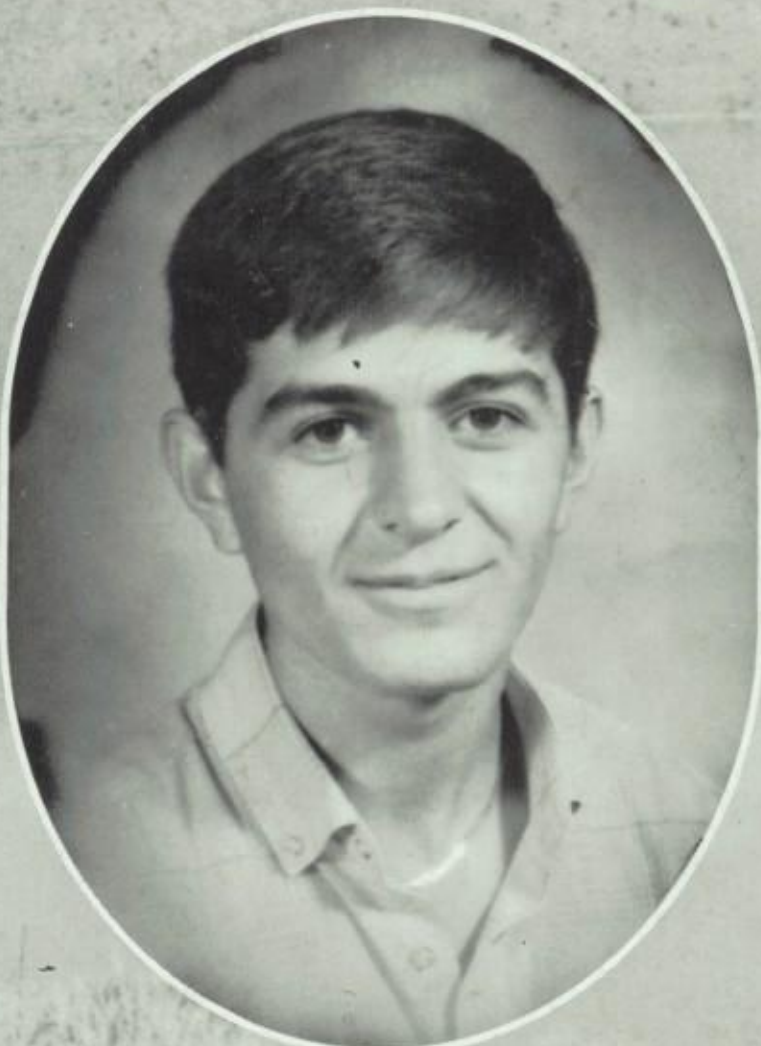

"In Remembrance of . . ."

The loss of close friends comes to us with shattering effect. It reminds us of how fragile life can be. Any one of us could be gone right now but God has chosen a respected few to take from us. When a person is with us, we tend to see their faults and shortcomings. But when they are gone, we remember all of the little things that make life what it is. Life is an experience that we must taste to its fullest while we can for there might not be another chance. Let us always remember our friends, and all the little things they did that made life a little bit easier, for they are the spirit, pride, and excellence that our school is about.

Goodbye, Farewell,  
& Amen.

## *Teachers . . .*

The Tesoros yearbook staff wishes to dedicate the 1986 yearbook to Sheila Gibb Zehner. In memory of her 14 years of love and devotion to Valencia High School. All of us at some time or other was influenced by a teacher. Her influence can never be measured. Only those who knew Shelia Zehner could appreciate the positive influence she had on young lives. She will be remembered as a warm, friendly, dedicated, and loving person to her students and to her colleagues.

### Sonnet 30

When to the sessions of sweet silent thought  
I summon up remembrance of things past,  
I sigh the lack of many a thing I sought,  
And with old woes new wail my dear time's  
waste.  
Then can I drown an eye, unused to flow,  
For precious friends hid in death's dateless  
night,  
And weep a fresh love's long since canceled  
woe,  
And moan the expense of many a vanished  
sight.  
Then can I grieve at grievances foregone,  
And heavily from woe to woe tell o'er  
The sad account of a fore bemoaned moan,  
Which I new-pay as if not paid before.  
But if the while I think on thee, dear friend,  
All losses are restored and sorrows end.  
William Shakespeare
